

The papers for the Proceedings will be published in the new journal

“Journal of Elliptic and Parabolic Equations”

The web page of the journal is under construction and will be available shortly. The templates to used will be provided after the review process.

The deadline for submitting a paper is September 30, 2014. The papers whose first author has a name beginning with a letter between A and F have to be send to Professor B. Brighi :

bernard.brighi@orange.fr

all the others to Professor I. Shafrir :

shafrir@math.technion.ac.il

Both are in charge of conducting the referee process.

Since we would like to reach for this new journal a very good level we ask to all of you to be reasonable and to submit only papers which you think are excellent and original. We thank you very much for your understanding.

The publication of the first issue of the journal -i.e., of the proceedings of Gaeta- is foreseen at the beginning of 2015.
