

Advanced numerical methods for non-local problems

Conference in honour of Prof. Dr. Dr. h.c. Wolfgang Hackbusch

January 9 - 11, 2024

Boğaziçi University, Istanbul, Türkiye - Kriton Curi Hall located in Albert Long Hall

Topics of the conference

- Hierarchical matrices
- Tensor methods
- Cluster and multipole techniques
- Fast solvers

Organizing Committee

Fatih Ecevit, Boğaziçi University, Istanbul, Turkey
Stefan Sauter, University of Zurich, Switzerland

Scientific Committee

Fatih Ecevit, Boğaziçi University, Istanbul, Turkey
Ivan Graham, University of Bath, United Kingdom
Lars Grasedyck, RWTH Aachen, Germany
Stefan Sauter, University of Zürich, Switzerland

Further information and registration (open until October 31, 2023)
